Data Top-Up inclusions will expire at the same time as your existing UNLIMITED Mobile Plan (unless the Plan fails to renew). For Post-paid customers, Data Bank will generally be used after any bonus data and included data for the current billing cycle is used. For Pre-paid customers, Data Bank will generally be used after any bonus data, Data Top-Ups and included data for the current recharge is used. From time to time, network behaviour may mean that data is used in a different order however total data inclusions will remain unchanged. Data Bank will expire if your UNLIMITED Mobile Plan is cancelled, if your phone number is ported to another service provider or if you move from your chosen UNLIMITED Mobile Plan to another plan. If a Data Bank is included in your chosen Plan, we’ll send you combined usage notifications, consisting of the total Data Bank and the Plan data inclusion amount.
