Post-Paid Data Top-Ups

As a Post-paid customer, if you go over your plan’s limit of included data, we’ll automatically top you up with 1GB for \$10.00. Each time you use all of your data inclusion we’ll give you another 1GB for \$10.00. At the end of your billing cycle, you’ll automatically be moved back to your plan’s inclusions and charges. Data Top-Up inclusions will expire at the same time as your existing UNLIMITED Mobile Plan. Data Top-Ups are measured in kilobytes, and includes uploads and downloads. The cost of 1MB for additional data under the 1GB Data Top-Up feature is \$0.0098.

Pre-Paid Data Top-Ups

As a Pre-paid customer, you may manually add Data Top-Ups at \$10 per 1GB where required. At the end of your 90 day period, you’ll automatically be moved back to your plan’s inclusions and charges. Data Top-Up inclusions will expire at the same time as your existing plan (unless the plan fails to renew). Data Top-Ups are measured in kilobytes, and includes uploads and downloads. The cost of 1MB for additional data under the 1GB Data Top-Up feature is \$0.0098.

Data Bank

Unused included data will roll over to the next billing cycle (for Post-paid customers) or to the next recharge (for Pre-paid customers) (“Data Bank”). For Post-paid customers, Data Bank will generally be used after any bonus data and included data for the current billing cycle is used. For Pre-paid customers, Data Bank will generally be used after any bonus data, Data Top-Ups and included data for the current recharge is used. From time to time, network behaviour may mean that data is used in a different order however total data inclusions will remain unchanged. Data Bank will expire if your plan is cancelled, if your phone number is ported to another service provider or if you move from your chosen plan to another plan. If a Data Bank is included in your chosen Plan, we’ll send you combined usage notifications, consisting of the total Data Bank and the Plan data inclusion amount. Data Bank can never be redeemed for cash.

Information about pricing

Early Termination

With amaysim, there is no minimum term contract, so you can cancel whenever you want. There is no fee for cancellation. We just ask that you send an email to service@amaysim.com.au. Please note, you could receive Post-paid invoices with delayed usage charges up to 2 months after you disconnect. If you terminate this plan during a 90 day period, without using up your allowance your maximum charge will be the amount you paid for your plan. You will also be charged for any additional usage over these allowances and you must pay the entire 90 day fee, even if you cancel part way through a 90 day period (in other words, there will be no refund if you are a Pre-paid customer, or you will still be billed the full 90 day amount if you are a Post-paid customer).

Mobile Calls & Data usage Call minutes are calculated in 60 second increments. Data is counted in kilobytes and includes uploads and downloads.
