As a Post-paid customer, if you go over your plan's limit of included data, we'll automatically top you up with 1GB for \$10.00. Each time you use all of your data inclusion we'll give you another 1GB for \$10.00. At the end of your billing cycle, you'll automatically be moved back to your plan's inclusions and charges. Data Top-Up inclusions will expire at the same time as your existing Data Only Plan. Data Top-Ups are measured in kilobytes, and includes uploads and downloads. The cost of 1MB for additional data under the 1GB Data Top-Up feature is \$0.0098.

Pre-Paid Data Top-Ups

As a Pre-paid customer, you may manually add Data Top-Ups at \$10 per 1GB where required). Some plans allow excess data at a rate of 7.2c/MB (refer to the table above). At the end of your 28 day period, you'll automatically be moved back to your plan's inclusions and charges. Data Top-Up inclusions will expire at the same time as your existing Mobile Data Only Plan (unless the Plan fails to renew). Data Top-Ups are measured in kilobytes, and includes uploads and downloads. The cost of 1MB for additional data under the 1GB Data Top-Up feature is \$0.0098.

Automatic Renewal

Each time a Mobile Data Only Plan is added (or re-added) to a Service, auto-renew is switched ON by default. This means you'll need to manually switch auto-renew off once a new renewal period has started, if you do not want to renew your Plan. This can be done through the amaysim app or My amaysim.

Fair Go Policy

amaysim's Data Only Plans are subject to the amaysim [Fair Go Policy](#) which ensures amaysim can continue to provide high quality low cost mobile services to all of our customers. The Fair Go Policy ensures that the service is not used in a manner that we consider 'unreasonable' or 'unacceptable' and describes what may occur if the Service is used in breach of the policy. To use a Data Only Plan you must agree to the Fair Go Policy.

Information about pricing

Early Termination

With amaysim, there is no minimum term contract, so you can cancel whenever you want. There is no fee for cancellation. We just ask that you send an email to service@amaysim.com.au. Please note, you could receive Post-paid invoices with delayed usage charges up to 2 months after you disconnect. If you terminate a Data Only Plan during a 28 day period, without using up your allowance your maximum charge will be the amount you paid for your plan. You will also be charged for any additional usage over these allowances and you must pay the entire 28 day fee, even if you cancel part way through a 28 day period (in other words, there will be no refund if you are a Pre-paid customer, or you will still be billed the full 28 day amount if you are a Post-paid customer).
