Information about pricing

Early Termination

With amaysim, there is no minimum term contract, so you can cancel whenever you want. There is no fee for cancellation. We just ask that you send an email to service@amaysim.com.au. Please note, you could receive Post-paid invoices with delayed usage charges up to 2 months after you disconnect. If you terminate an UNLIMITED Mobile Plan during a 28 day period, without using up your allowance your maximum charge will be the amount you paid for your plan. You will also be charged for any additional usage over these allowances and you must pay the entire 28 day fee, even if you cancel part way through a 28 day period (in other words, there will be no refund if you are a Pre-paid customer, or you will still be billed the full 28 day amount if you are a Post-paid customer).

Mobile Calls & Data usage

Call minutes are calculated in 60 second increments. Data is counted in kilobytes and includes uploads and downloads.
