Minimum Term

28 days. (Automatically renews every 28 days)

Total Minimum 28 day Plan Cost

Total minimum cost is \$24.90 for 28 days. You may incur two charges of \$24.90 in a given month.

Total Maximum 28 day Plan Cost

The maximum 28 day charge payable will depend on whether you exceed the allowances under the plan e.g. some international Calls or Premium services will be added to your bill or need to be covered by payment of extra credit.

Information About Pricing

Early Termination

With amaysim, there is no minimum term contract, so you can cancel whenever you want. There is no fee for cancellation. We just ask that you send an email to service@amaysim.com.au. Please note, you could receive invoices with delayed usage charges up to 2 months after you disconnect.

If you terminate the plan during a 28 day period without using up your allowance your maximum charge will be the amount you paid for your plan. You will also be charged for any additional usage over these allowances.

Data Top-Ups

As a Post-paid customer, if you go over your 1.5GB limit of included data, we'll automatically top you up with 1GB for \$10.00. Each time you use all of your data inclusion we'll give you another 1GB for \$10.00. At the end of your billing month, you'll automatically be moved back to your plan's inclusions and charges. Data Top-Up inclusions will expire at the same time as your existing Unlimited plan. Data Top-Ups will be measured in kilobytes, and includes uploads and downloads. The cost of 1MB for additional data under the 1GB Data Top-Up feature is \$0.0098. Pre-paid customers may manually add Data Top-Ups where required or use the excess data rate of 15.4c / MB.

Other Information

Using Your Service Overseas

amaysim's roaming service operates in a number of countries so that you can stay in touch with family, friends and colleagues. Just be aware that while it's easy to connect, charges for international roaming are higher so make sure you review our [roaming](#) service charges.
