***amaysim announces additional mobile data for all existing Victorian customers***

Keeping customers connected is our number one priority

**10 JULY 2020** – As restrictions tighten and Melbourne once again transitions into full COVID-19 lockdown the demand for data is rapidly increasing. To ease the burden amaysim is offering all existing prepaid customers, residing in Victoria, additional mobile data to stay connected over the next six weeks.

From today, until 31 August 2020, all existing prepaid customers, residing in Victoria, will receive the following additional data at no extra cost:

- \$10 plan customers receive **10GB of additional data**
- \$20 plan customers receive **20GB of additional data**
- \$30 plan customers receive **30GB of additional data**
- \$40 and above plans receive at least **40GB of additional data**

All amaysim prepaid customers receive unlimited talk and text within Australia, as standard.

*amaysim Founder, CEO and Managing Director, Peter O'Connell.* “We can see from the significant increase in data usage during the initial COVID-19 lock down that data is what our customers value most during these challenging times.”

“With that in mind we wanted to ensure that our Victorian customers were taken care of during the next phase of lock down, ensuring they remain connected with loved ones without worrying about data limits.”

“Our customers are our number one priority, if we can do a bit extra to help them during this unprecedented time, we will.” *Said O'Connell*
