AMAYSIM RELIEVES AUSSIE HOUSEHOLDS FROM MOBILE PHONE BILLS BY OFFERING NOT ONE, BUT TWO FREE MOBILE PHONE PLANS FOR A YEAR

Sydney, 4 June 2018 – amaysim, Australia's first provider of simple home services, who also brought us the \$10 unlimited talk and text mobile plan, and the free nbn is now further easing consumer frustration by offering Aussie households two 15GB Unlimited mobile plans for a year for free (currently valued at \$40 for 28 days, that is \$1,040 annually), when switching their energy to one of amaysim's eligible electricity, gas or solar plans.

According to new research from amaysim, almost 3 in 5 (57%) of the population found the process of managing different utilities time consuming.

Julian Ogrin, CEO of amaysim, said: "Our research shows that the time of having different providers for your utilities is coming to an end. Australian consumers are ready for the one provider that does it all. The free mobile offer demonstrates just one of the benefits of consolidating your household services into the one provider. amaysim reduces unnecessary stress and hassle from Australian households by creating simple home services under the one roof. Time equals money and if there's a better deal, customers should take it!

"97% of Aussies use up to 15GB of data a month², so we are confident our plan will cover all their mobile needs. Switching to one of our energy plans and receiving two free mobile plans for a year is a fantastic opportunity for couples and families to reduce their household bills."

amaysim has broadened its products and services beyond the traditional telco model into a home service provider, with an amazingly simple customer experience. All services feature no lock-in contracts, giving customers total flexibility with their decision.

This limited time offer is only available for ten days from 00:01am Monday 4th June until 11:59pm Wednesday 13 June 2018. For more information or to switch to amaysim, visit amaysim.com.au/free-mobile.
