Appendix 1	International Rates - Top Destinations
Appendix 2	International Rates – Rest of the World Group
Appendix 3	International Roaming

## **1. About this Price Table**

- a) This is the standard Price Table for the amaysim Australia Mobile Service. It states the applicable pricing for the amaysim Service, except to the extent where any applicable Product Specific Terms and Conditions specify alternative pricing.
- b) This Price Table is part of our Standard Form of Agreement, which is made up of all of the documents listed in our General Terms.
- c) The latest version of the above documents is available for download on our website [www.amaysim.com.au](http://www.amaysim.com.au)

## **2. Charges for Mobile Calls, SMS and Data**

### **2.1. Calculation of Charges for Calls**

- 2.1.1. Each call made by you will be measured from the time the call is established to the time the call is finished.
- 2.1.2. Unless otherwise indicated all calls will be billed in 60 seconds increments. This means that charges for a part of one minute will be rounded up to a full minute. The total number of minutes will then be multiplied with the respective call charge associated with this Call Type as set out in the Price Table below or on our website [www.amaysim.com.au](http://www.amaysim.com.au).
- 2.1.3. You will not be charged a Flagfall for calls whilst you are in Australia. You may be charged a Flagfall while you are abroad by the respective local operator when you make calls through on International Roaming.
- 2.1.4. To calculate the time of a call we will be using the local time recorded at the first mobile base station that your call is being routed through.

### **2.2. Calculation of Charges for SMS and MMS**

- 2.2.1. SMS will be charged per standard text message. A standard text message is 160 characters long, but some mobile phones permit longer messages. In that case, a message with more than 160 characters will be divided up into the number of messages required to convey the full message. Each one of these separate messages will be charged at the standard rate per message as set out in the Price Table below.
- 2.2.2. MMS will be charged per message. Each message will be charged at the standard rate per message as set out in the Price Table below or on our website [www.amaysim.com.au](http://www.amaysim.com.au)

- 2.2.3. Receiving SMS and MMS in Australia is free of charge.
- 2.2.4. MMS sent or received outside Australia will be charged at the standard International MMS per message and International Roaming data charges as set out in the Price Table below or on our website [www.amaysim.com.au](http://www.amaysim.com.au)

### 2.3. Calculation of Charges for Mobile Data

- 2.3.1. Charges for the use of Mobile Data are based upon 1 KB increments per session. For Sessions that make up part of 1 KB will be rounded to the next full KB increment. The number of megabytes used will then be multiplied with the charge as set out in the Price Table below.
- 2.3.2. A data session is a data transaction between your mobile handset and an Internet destination such as a website or the database for a smartphone application. Your handset controls when a session starts and when it ends. amaysim cannot influence this. For example, depending on how your handset operates, browsing a series of webpages may be a single session, or a session may start and end each time when your smartphone is updating your email or you activate a smartphone application.

## 3. Other Charges

### 3.1. Post-paid Minimum Charge

- 3.1.1. If you use the Post-paid Payment Option, a per account, minimum spend is required

Post-paid minimum account spend	\$5.00 / month
---------------------------------	----------------

### 3.2. Gold Number

You may opt to select a Gold Number which may be more memorable. Choosing a Gold Number incurs a one-off charge as set out below.

Gold Number Charge	\$30.00 one off
--------------------	-----------------

### 3.3. Change of Number

You may need a new phone number because you have received calls of harassing nature. If you have reported the matter to the relevant law enforcement agency, we will supply you with a new phone number free of charge. In all other cases you will have to pay the charge as set out below when you request a new phone number:

Change of Number Charge	\$20.00 per event
-------------------------	-------------------

### 3.4. Paper Invoice

We will provide you with a digital invoice over the sum of your usage in pdf-format. The digital invoice constitutes a tax invoice. If, however, you request the production of a paper invoice in our Service Centre we may charge you for the paper invoice as set out below:

Paper Invoice Charge	\$5.00 per invoice
----------------------	--------------------

### 3.5. Change of Account Holder

When you ask us to transfer a SIM card to the account of another person we may charge you a fee as set out below:

Change of Account Holder Charge	\$20.00 per event
---------------------------------	-------------------

### 3.6. Late Payment Charge

If you do not pay all amounts you owe us by the date the payment is due, we may charge you a late payment fee as set out below:

Late Payment Charge	\$10.00 per event
---------------------	-------------------

### 3.7. Dishonoured Payment Charge

If you elect to pay your bills by direct debit and your bank dishonours the payment we may charge you a fee for the dishonoured payment. The charge is set out in the Price Table below.

Dishonoured Payment Charge	\$20.00 per event
----------------------------	-------------------

### 3.8. Collecting Agent Charges

We may engage an agent to recover money that you owe to us or we may sell your debt to a collecting agent altogether. We may pass on all fees and charges that we incur in recovering the outstanding amounts owed by you.

### 3.9. Reactivation Charge

If we have suspended the Service on your request (eg because you have lost or your amaysim SIM card or it has been stolen) we may charge a fee as set out in the Price Table below when you ask us to resume the Service.

Service Suspension Charge	\$10.00 per event
---------------------------	-------------------

### 3.10. SIM card replacement

When you ask us to replace your amaysim SIM card because it has been lost, stolen, or damaged without our fault we may charge you a fee to replace your amaysim SIM card as set out below.

SIM Card Replacement Charge	\$15.00 per event
-----------------------------	-------------------

### 3.11. Historic Billing Information

You can request billing information which is older than 24 months (where available). We will provide this information via mail or email against the charge as set out below.

Historic Billing Information	\$30.00 per event
------------------------------	-------------------

### 3.12. Transaction Fee

For any transaction processed manually by the amaysim customer service centre that can be managed through self-service options such as amaysim's IVR 555 (free call), SMS service 568 (free text) and the personal login area at [amaysim.com.au/myamaysim](http://amaysim.com.au/myamaysim) (zero-rated GPRS from amaysim SIM card) amaysim can charge a transaction fee of \$5.00. The fee applies to Top-Ups, voucher redemptions as well as plan changes.

Transaction Fee	\$5.00 per event
-----------------	------------------

## 4. International Roaming Additional Charge Information

### 4.1 Accessing VoiceMail whilst overseas

Accessing VoiceMail from overseas is achieved by calling 321 from your amaysim mobile and entering your voicemail PIN. Charges will be displayed as "roaming international" from the country of origin to Australia.

### 4.2 International roaming VoiceMail deposit without unconditional diversion

If a received call is diverted to VoiceMail because you do not answer or because your phone is busy, you will be charged at the following rates:

Roaming Voicemail Deposit Zone 1	- \$1.00/min
Roaming Voicemail Deposit Zone 2	- \$2.00/min
Roaming Voicemail Deposit Zone Sat, Aero & Maritime	- \$4.00/min

To minimise the cost of receiving calls and VoiceMail, you may wish to set an "unconditional" diversion (divert all incoming calls) to VoiceMail so that your phone does not receive calls while travelling overseas.

#### **4.3 Calling Customer Service while overseas**

When you call Customer Service on +61 2 8307 2484 from your amaysim mobile whilst roaming, you will be charged for roaming international call rates from the applicable country zone to Australia.

#### **4.4 Satellite, Aero & Maritime**

You can use your mobile services on board maritime vessels and on aircraft where available. When you make a call, send an SMS or use data services, you will be charged the relevant roaming rate for the zone of Sat, Aero & Maritime. When the ship or aircraft is not in transit, the on-board phone system will turn itself off. You can then connect to the local roaming network at which point you will be charged the roaming rate for the country you are in. Please contact your Cruise or Airline operator to check for availability of this service

### **5. Apple registration**

#### **5.1 FaceTime**

With *FaceTime* on your iPhone, you can make video calls to another iPhone over a WiFi network. To use Facetime your device first needs to send an international SMS to Apple in the UK in order to complete the registration process. You are charged 25 cents every time you enable Facetime and if you remove and re-insert your amaysim sim card into your iOS device. Registering for the service sends an International SMS to activate the Facetime service with Apple. On each occasion that you register for the service, amaysim will charge you \$0.25/ SMS as per international SMS charges.

#### **5.2 iMessage**

iMessage works by automatically checking to see if the contact you're sending the message to has an Apple ID associated with their device. When your device sends iMessages to other devices, you will be charged for data usage as opposed to SMS usage, therefore data charges will apply when using this service. In addition, for initial setup (Or every time you turn iMessage off and on) your iPhone sends an international SMS in order to activate the iMessage service with Apple. On each occasion that you register for the service amaysim will charge you \$0.25/ SMS as per international SMS charges (Prepaid services must have available credit to send these messages).

### 5.3 Additional Apple registration charges

Any additional Apple services requiring international SMS registration will be charged at the applicable rate of \$0.25/ SMS

## 6. Credit Card Pre-Authorisation

### 6.1 Pre-Authorisation transaction

The addition of a new credit card (as a payment method) to your amaysim account requires that we pre-authorise a \$1.00 transaction. This means you will see a pending transaction on your credit card account, instead of a charge. The \$1.00 pre-authorisation will disappear from your credit card account within 10 working days.

## 7. Video Calls

### 7.1 National Video Calls

National video calls are handset dependant and both parties to the call must be in a 3G coverage area.

## 8. General Information

Hours of Service	Monday to Sunday, 24 hours a day
Increments (Calls)	60 seconds
Increments (Data)*	1 Kilobyte
Standard Text Message (SMS)	160 characters
Offline SIM pack (\$2.00 SIM card excl. \$5.00 starting credit)	\$2.00
Online SIM pack (\$2.00 SIM card incl. \$5.00 starting credit)	\$5.00

\*Applies to data usage in Australia. Charges for data roaming can differ.

The following pages set out the charges that apply to all amaysim customers for calls made using the amaysim Service in Australia:

## 9. Mobile Plans

### 9.1 amaysim As You Go

amaysim Plan	Call Type / Services	Fee / Charge

Unlimited 60GB	International Video Calling	\$2.49 / min

## 9.7 Mobile Data Only Plans

amaysim mobile Data Only Plans are standalone renewable data products to be used where you don't already have data associated with your service, for use in devices like tablets that don't need voice functionality. Data Only Plans have their own renewal cycle and cannot be added to existing plans like the amaysim Unlimited product.

Data Only Plans	Monthly Charge	Expiry
1GB Data Only Plan	\$10.00	Valid 28 Days
2GB Data Only Plan	\$15.00	Valid 28 Days
5GB Data Only Plan	\$25.00	Valid 28 Days
20GB Data Only Plan	\$45.00	Valid 28 Days
50GB Data Only Plan	\$60.00	Valid 28 Days
100GB Data Only Plan	\$70.00	Valid 28 Days
150GB Data Only Plan	\$90.00	Valid 28 Days

## 9.8 Mobile Data Top-Ups

Data Top-Ups allow you to add more data to your existing Data Only or amaysim mobile Unlimited plan. Top-ups are used where you have or will exceed your current data allowance. Data Top-Ups do not renew and they expire when the data on your existing product plan expires. Top-ups can be added as many times as you want in a 28 day period. Please see the *Special Conditions and Service Description Mobile Broadband* document for information on how Data Top-Ups may be applied. Data Top-Ups cannot be used with As You Go.

Data Top-Ups	Monthly Charge	Expiry
1GB Data Top-Up	\$10.00	Expires with current Unlimited or Data Plan

**Amaysim Price Table – Appendix 1
